1351.01 LIGHT SHIELDS REQUIRED.

No person shall install, maintain or operate on any premises in the City any light or lighting device, including searchlights, spotlights, beacon type or revolving lights or reflectors which direct rays or beams, or which shine or reflect concentrated rays of light on any public street or privately owned real property owned by others, unless such light or lighting device is first equipped with shields or similar devices which during the night season will prevent such rays or beams of light from shining on or reflecting on any such street, or on any home or building used for human habitation and owned by others. Any light or lighting device as herein contemplated, which does not have the shields or similar devices as herein set forth or which violates the provisions of this Chapter, is hereby declared to be a public nuisance and its use shall be enjoined.
(Ord. 2940. Passed 4-15-55.)

1351.02 USE IN RESIDENCE OR APARTMENT DISTRICTS.

All artificial lighting of private premises or the outside of buildings which are over fifteen (15) feet from the ground shall not be used or maintained in a district zoned for single or two-family residence, group dwellings or apartment use, from 10:00 P.M. to 7:00 A.M. of any day, except when used during the entrance to or exit from the premises or building on which such lights are situated by a person entering or leaving such premises or building.
(Ord. 23-62. Passed 2-26-62.)

1351.03 HEIGHT RESTRICTIONS; INSTALLATION AND SHIELDING.

Artificial lighting fixtures to be used in the night season shall not be installed on the premises or on the outside of a building in districts zoned by the City for single or two-family residence, group dwelling or apartment use, at a height

greater than fifteen (15) feet from the ground level, and shall be shown on the plans and specifications submitted to the Building Commissioner when an application for a building permit is made. All such lights shall be installed at right angles to and facing the ground and shall be shielded so as not to shine upon neighboring homes and premises.(Ord. 23-62. Passed 2-26-62.)

1351.99 PENALTY.

Whoever violates any provision of this Chapter shall be guilty of a minor misdemeanor for the first offense. Whoever violates any provision of this Chapter shall be guilty of a fourth degree misdemeanor for the second offense or subsequent offenses.
(Ord. 7-82. Passed 2-8-82.)
