

CHAPTER 144  
City Engineering Services

144.01 City Civil Engineer.

144.02 Powers and Duties of  
Mackay Engineering and  
Surveying Company.

---

**144.01 CITY CIVIL ENGINEER.**

The position of City Civil Engineer, as a City employee, is hereby abolished. The City has selected Mackay Engineering and Surveying Company, an engineering firm, as an independent contractor, through a Request for Proposal process to perform engineering services for the City. All references to “City Engineer”, “City Civil Engineer”, “Engineer”, “authorized engineer representative” or any other name for the City Engineer in an Codified Ordinance shall mean Mackay Engineering and Surveying Company, or a member of such firm.

**144.02 POWERS AND DUTIES OF MACKAY ENGINEERING AND SURVEYING COMPANY.**

The powers and duties of Mackay Engineering and Surveying Company shall be as set forth by the Council’s ordinance and/or contract accepting Mackay Engineering and Surveying Company as an independent contractor through the City’s Request for Proposal process including, but not limited to, the duties set forth in Sections 914.03(b), 914.04(a) and (b), 914.11, 916.02, 1107.03(b), 1107.04(b), (c) and (e), 1107.07, 1111.05, 1111.07, 1111.08, 1111.09(a), 1111.10, 1111.13(b), 1111.17(b), 1113.03(c), 1114.10, 1151.07, 1337.07, 1337.08 and 1337.09 below, and any future amendments to the City’s ordinances. (Ord. No. 63-05. Passed 4/18/05.)
