IT 4 Instructions

Most individuals are subject to Ohio income tax on their wages, salaries, or other compensation. To ensure this tax is paid, employers maintaining an office or transacting business in Ohio must withhold Ohio income tax, and school district income tax if applicable, from each individual who is an employee.

Such employees who are subject to Ohio income tax (and school district income tax, if applicable) should complete sections I, II, and IV of the IT 4 to have their employer withhold the appropriate Ohio taxes from their compensation. If the employee does not complete the IT 4 and return it to his/her employer, the employer:

- Will withhold Ohio tax based on the employee claiming **zero exemptions**, and
- **Will not** withhold school district income tax, even if the employee lives in a taxing school district.

An individual may be subject to an interest penalty for underpayment of estimated taxes (on form IT/SD 2210) based on under-withholding.

Certain employees may be **exempt** from Ohio withholding because their income is not subject to Ohio tax. Such employees should complete sections I, III, and IV of the IT 4 **only**.

The IT 4 does **not** need to be filed with the Department of Taxation. Your employer must maintain a copy as part of its records.

R.C. 5747.06(A) and Ohio Adm.Code 5703-7-10.

Section I

Enter the four-digit school district number of your primary address. If you do not know your school district of residence or its school district number, use *The Finder* at tax.ohio.gov. You can also verify your school district by contacting your county auditor or county board of elections.

If you move during the tax year, complete an updated IT 4 immediately reflecting your new address and/ or school district of residence.

Section II

Line 1: If you can be claimed on someone else's Ohio income tax return as a dependent, then you are to enter "0" on this line. Everyone else may enter "1".

Line 2: If you are single, enter "0" on this line. If you are married and you and your spouse file separate Ohio Income tax returns as "Married filing Separately" then enter "0" on this line.

Line 3: You are allowed one exemption for each dependent. Your dependents for Ohio income tax purposes are the same as your dependents for federal income tax purposes. See R.C. 5747.01(O).

Line 5: If you expect to owe more Ohio income tax than the amount withheld from your compensation, you can request that your employer withhold an additional amount of Ohio income tax. This amount should be reported in whole dollars.

Note: If you do not request additional withholding from your compensation, you may need to make estimated income tax payments using form IT 1040ES or estimated school district income tax payments using the SD 100ES. Individuals who commonly owe more in Ohio income taxes than what is withheld from their compensation include:

- Spouses who file a joint Ohio income tax return and both report income, and
- Individuals who have multiple jobs, all of which are subject to Ohio withholding.

Section III

This section is for individuals whose income is deductible or excludable from Ohio income tax, and thus employer withholding is not required. Such employee should check the appropriate box to indicate which exemption applies to him/her. Checking the box will cause your employer to not withhold Ohio income tax and/or school district income tax. The exemptions include:

- Reciprocity Exemption: If you are a resident of Indiana, Kentucky, Pennsylvania, Michigan or West Virginia and you work in Ohio, you do not owe Ohio income tax on your compensation. Instead, you should have your employer withhold income tax for your resident state. R.C. 5747.05(A)(2).
- Resident Military Servicemember Exemption: If you are an Ohio resident and a member of the United States Army, Air Force, Navy, Marine Corps, or Coast Guard (or the reserve components of these branches of the military) or a member of the National Guard, you do not owe Ohio income tax or school district income tax on your active duty military pay and allowances received while stationed outside of Ohio.

This exemption does not apply to compensation for nonactive duty status or received while you are stationed in Ohio.

R.C. 5747.01(A)(21).

- Nonresident Military Servicemember Exemption: If you are a nonresident of Ohio and a member of the uniformed services (as defined in 10 U.S.C. §101), you do not owe Ohio income tax or school district income tax on your military pay and allowances.
- Nonresident Civilian Spouse of a Military Servicemember Exemption: If you are the civilian spouse of a military servicemember, your pay may be exempt from Ohio income tax and school district income tax if all of the following are true:
 - Your spouse is a nonresident of Ohio;
 - You and your spouse are residents of the same state;
 - Your spouse is stationed in Ohio on military orders; and
 - You are present in Ohio solely to be with your spouse.

You **must** provide a copy of the employee's spousal military identification card issued to the employee by the Department of Defense when completing the IT 4.

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		▶ Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, when to use the estimator at www.irs.gov/W4App, and privacy.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3-4); or

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; or

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld . . . ▶

TIP: To be accurate, submit a 2022 Form W-4 for all other jobs. If you (or your spouse) have self-employment income, including as an independent contractor, use the estimator.

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependents	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$25,900 if you're married filing jointly or qualifying widow(er), \$19,400 if you're head of household, \$12,950 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

**Statement Concerning Your Employment in a Job
Not Covered by Social Security**

Employee Name _____ **SSN #** _____

Employer Name City of Rocky River **Employer ID#** 3275-08

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25.
