

Leaf Raking & Snow Removal

- ◆ If you are interested, contact Mary Hildebrandt at 440-333-6664
- ◆ Please provide the homeowner's full name, address & phone.
- ◆ Homeowners **MUST CALL ANNUALLY** to register for each service.

Deadline to register is September 30.

◆ LEAF RAKING

A one time fall clean-up is available to Rocky River homeowners who are 70 or older. Leaves will be raked by local scouting troops, students, and athletic teams usually sometime in late October or early November.

◆ APRON SNOW PLOWING

Plowing is available for the apron only, to remove snow that has been displaced from the street when the streets are plowed. Snow will only be removed *if at least 3" of snow has fallen and after the city snow plows have cleared all Rocky River streets.*

Homeowners are responsible for having their driveways and sidewalks cleared. The senior center maintains a list of individuals whom you may call if you need to hire someone to do that.
